

Train Yobs-Ypred

Test Yobs-Ypred

The scatter plot displays the relationship between the number of iterations (x-axis) and the error (y-axis). The x-axis is labeled from 0 to 4, and the y-axis is labeled from 0 to 1. The data points show a rapid decrease in error as the number of iterations increases, following a curve that approaches zero error as iterations increase.

Fitted vs. Residuals for Fitted Model
