

Supplementary Figure 6. Isolated ulnae of the aetosaur *Stagonolepis olenkae*, Sulej 2010. Photographs of (A) the left ulna ZPAL AbIII/1100/1; (B) the left ulna ZPAL AbIII/1179. (C) the left ulna ZPAL AbIII/3351. (D) the right ulna ZPAL AbIII/2014. Symbols attached to pictures show which surface is exposed in the photograph, with (X) for the dorsal, (▲) for the ventral, (■) for the medial, and (●) for the lateral, and how the surfaces are oriented in proximal and distal view. All photographs are in the same scale.
