

Supplementary Figure 7. Isolated radii of the aetosaur *Stagonolepis olenkae*, Sulej 2010. Photographs of (A) the left radius ZPAL AbIII/3322. (B) the right radius ZPAL AbIII/2106/4. (C) the right radius ZPAL AbIII/1628. (D) the right radius ZPAL AbIII/2106/2. Symbols attached to pictures show which surface is exposed in the photograph, with (X) for the dorsal, (▲) for the ventral, (■) for the medial, and (●) for the lateral, and how the surfaces are oriented in proximal and distal view. All photographs are in the same scale.
