Supplement 1

Questionnaire sheet used to record information during camp visits

Name of int	erviewer			
Name of inte	erviewee			position
Date				
	Camp and elephant informat			
-				
Address				
Years of ope	eration			
Location:	close to village	□ no	□ yes	
	close to main road	□ no	□ yes	
	close to river/stream	□ no	□ yes	
	close to forest	□ no	□ yes:	type of forest
	close to agricultural area	□ no	□ yes:	specify
	close to industry area	□ no	□ yes:	specify
Activity with	h elephants			
□ rid	ling with a saddle riding bar	reback 🗆	no ridir	ng □ elephant show
□ fre	ee movement feeding bat	hing □ o	thers	
Other activit	ties			
□ ox	-cart riding bamboo rafting	□ rubbe	r rafting	□ visiting hill tribe villages
□ tre	kking □ zip lines □ restauran	ıt □ gift s	shop 🗆 o	others
Program for	tourists			
□ ha	lf day □ full day: How many	days?		days
□ ov	ernight \square others			
	als in the camp			
□ no	□ yes: □ ox □ buffalo □ d	log □ cat	: □ chicl	ken □ others
Elephant nu	mber elepha			
_	ale: How many?		. elepha	nts
□ fer	male: How many?		elepł	nants

Age of elephants

	Number of elephants			
Age (years)	Male	Female		
□ 0 - 3				
□ 4 - 10				
□ 11 - 20				
□ 21 - 30				
□ 31 - 40				
□ 41 - 55				
□ > 55				

Owner	of	el	len	hani	ts
O 11 11 C1	•	•	Lep.	iiuii	

□ camp: How many elephants?	elephants
□ mahout: How many elephants	? elephants
□ others: How many elephants?	elephants

Section 2. Elephant management

Working

Operation time	normal	start time
		end time
	high tourist season	start time
		end time
	low tourist season	start time
		end time

Walking

Distance and duration of walking

			Roui	nd/day (roi	und)
				High	Low
	Distance/round	Duration/round		tourist	tourist
Type of work/activity	(meters)	(minutes)	Normal	season	season
□ riding with a saddle					
□ riding bareback					
□ no riding					
□ elephant show					
□ free movement					
□ others: specify					

Walking trail

			Type of tra	ail		
	Floor					
	(ground/	Flat	Slope	River	Road	Others
Type of work/activity	concrete/etc.	(yes/no)	(yes/no)	(yes/no)	(yes/no)	
□ riding with a saddle						
□ riding bareback						
□ no riding						
□ elephant show						
□ free movement						
□ others: specify						

(If you have a riding bareback program)
How many elephants in this program? elephants: male female
How many tourists per elephant? persons
Where can tourists sit on the elephant? □ neck □ back
Where are mahouts? □ sit on a neck □ sit on a back □ walk with elephants

Are elephants attached by a c	einch?					
□ no □ yes: What t	type? □ rope □ rubber tube □ others					
How long of this program?	minutes/hours					
(If you have a riding with a saddle p	u have a riding with a saddle program)					
How many elephants in this J	How many elephants in this program? elephants: male female					
How many tourists per eleph	ant? persons					
What are saddles made from	?					
□ wood:	How many weight? kg					
□ metal:	How many weight? kg					
□ rattan:	How many weight? kg					
□ others	How many weight? kg					
What types of bedding?	\square gunnysack \square hammered bark of tree \square blanket					
	□ sponge □ plastic □ others					
How many weight of bedding	g? kg					
What equipment are used to	What equipment are used to tie saddles? □ rope □ rubber tube □ others					
Where do you tie equipment	Where do you tie equipment to elephants? □ neck □ chest □ tail					
Are saddles removed during	Are saddles removed during break time? □ no □ yes: How long?					
How long of this program?	minutes/hours					
(If you have a no riding program)						
How many elephants in this p	program? elephants: male female					
How many tourists per eleph	ant? persons					
How long of this program?	minutes/hours					
(If you have an elephant show)						
How many elephants in this j	program? elephants: male female					
How many tourists per round	1? persons					
How long of a show?	minutes					
What kind of activities in a s	how?					
□ open mouth	□ playing musical instruments					
□ sit	□ kicking soccer balls					
□ lie down	□ dancing to music					
□ lift up a leg	□ painting					
□ raise a trunk	□ demonstrating logging skill					
□ others						

(If	(If you have a free movement program)					
	How many elephants in this program? elephants: male female					
	How many tourists per round? persons					
	How far of tourists	fro	m elephants?	mete	ers	
	Can tourists touch	elep	ohants? □ no □	yes		
	How can mahouts	con	trol their elephar	nt?		
	How long of this p	rogi	ram?	minutes		
Bre	eak time					
				Break tim	ne	
			W	hen?		
	Type of work/activity	ty	(at noon, between	een rounds, etc.)	How long? (minutes)	
	□ riding with a saddle	;				
	□ riding bareback					
	□ no riding					
	□ elephant show					
	□ free movement					
	□ others: specify					
Equ	uipment used during w	orki	ng			
	Do you have any e	quip	oment to control	elephants during	working? □ no □ yes:	
				How many elepl	hants?	
	Type of equipment	E	very elephants	Some elephant	s: specify	
	□ hook					
	□ nail					
	□ knife					
	□ slingshot					
	□ chain					
	□ others: specify					

Do elephants have a day off? □ no □ yes: specify						
Is there any injury/problem caused from working?						
□ no □ yes: caus	□ yes: cause □ restraint equipment		ht			
	□ saddle equipm	ent ueakness fr	om workload			
	□ walking trail	□ others				
Rest area						
Rest area during daytime						
	Movement	Floor type	How many			
Type of rest area	(chain/no chain)	(ground/concrete/others)	elephants?			
□ conventional housing						
□ enclosure						
□ under tree						
□ open space						
□ grass field						
□ others: specify						
Doot and during nighttime						
Rest area during nighttime	Movement	Elear type	Hovy mony			
T		Floor type	How many			
Type of rest area	(chain/on chain)	(ground/concrete/others)	elephants?			
□ conventional housing						
□ enclosure						
□ under tree						
□ open space						
□ grass field						
□ others: specify						

(If you have housing)
What are housing made of? □ wood □ concrete □ metal □ others
Height meters
Roof type: □ zinc □ tile □ grass □ others
Can water drain out easily? □ no □ yes
Is there any rough surface? □ no □ yes
(If you have the enclosure)
How large of enclosures? square meters
How many elephants in each enclosure? elephants
How do you clean rest areas?
□ remove dung: How often?
□ wash: How often?
□ scrub: How often?
Chaining
(If you chain elephants)
Length of chain during daytime meters
Length of chain during nighttime meters
Size of chain unit
What kind of materials you chain elephants to? □ pin □ pole □ tree □ others

Nutrition

Type, source, freshness and storage of food

Туре	Source	Freshness	Storage
□ grass: specify type			
□ corn stalk			
□ pineapple stalk			
□ bamboo			
□ hey			
□ banana			
□ sugar cane			
□ sticky rice			
□ tamarind			
□ pellet feed			
□ others: specify			

Feeding

Elephant category	Type	of food	Amount/day	Times/ day	Amount/time
Pre-wean					
Young					
(wean – 10 years)					
Adult males					
Adult females					
Old					
(> 55 years)					
Musth					
Pregnant					
Free foraging

		□ tap wa	ter 🗆 others		
Water proces	sing	□ no pro	cess 🗆 filtration	□ others	

Where do eleph	ants drink water?	river/stream □ pond □ bucket
		□ tap □ others
Do you clean w	rater containers?	□ no □ yes: How often?
How can elepha	ant drink water du	uring daytime?
How can elepha	ant drink water du	uring nighttime?
How many time	es elephant can dr	rink water? times/day
Health care		
Bathing		
How often do m	nahouts bath their	elephants? times/day
When do mahor	uts bath their elep	ohants?
Healthcare staff		
□ no □ yes: □	□ veterinarian	How many?
Г	⊐ animal husband	man How many?
	□ vet nurse	How many?
	□ others	How many?
Elephant clinic		
□ no □ yes		
Medicine and equipment	nt	
□ wound dressing	ng 🗆 S	supplement
□ eye drops		systemic antibiotic
□ local anti-infl	ammation 🗆 s	systemic anti-inflammation
□ foot trimming	g 🗆 (others
What do you do if you	have sick elephar	nts?
□ treat by camp	staffs	
□ consult : Who	?	
□ contact mobil	le clinic: Which o	one?
□ send elephant	ts to a hospital:	Where?
		Transportation: □ camp's truck □ hired truck
Health supplement		
□ no □ yes: □	commercial her	bs □ herbs from forest □ vitamin □ others

Annual health check	program		
□ no □ yes:	□ by camp	How often?	times/year
		What program	m?
	□ by gover	nment staffs:	How often? times/year
			What program?
Deworming program			
□ no □ yes:	How many	times?	times/year
Vaccination program			
□ no □ yes:	What kind	of vaccine?	
	How many	times?	times/year
Foot care			
□ no □ yes:	How?	• • • • • • • • • • • • • • • • • • • •	
	How often	?	
Quarantine			
□ no □ yes:	How?		
	How long?		days
	Program:	□ deworming □	vaccination blood test others
Breeding			
Breeding elephant			
□ no □ yes:	bull	elephants	
	dam	elephants	
Breeding program			
□ no: Why?			
□ yes			
(If you have breeding	g program)		
At what age do you s	tart to breed	elephants?	years old
Heat detection			
□ no □ yes: H	How? □ b	y mahouts	
	□ b	y breeding bulls:	\Box direct detection \Box from urine samples
	□ b	y hormone level	

What do you do if females are considered to be in estrus?	
□ breed in the camp during free time/after work	
□ stop working and separate to breed: Wher	e?
How	long? days
□ others	••
Do breeding elephants have a chance to be together?	
□ no □ yes: How?	
Do you bring your elephants to breed at other camps?	
□ no □ yes: Where?	
Do you bring elephants from other camps to breed at your	camp?
□ no □ yes: from where?	
Do breeding elephants work the same as other elephants?	
\square yes \square no: \square not work \square work less than other ele	phants: specify
(If you have adult females at the age of 15-25 years old)	
Have they ever breed?	
□ no □ yes: How many?	. elephants
□ not found pregnant	
□ considered pregnant: How	may? elephants
How many calves that born from camp breeding program?	elephants
How many calves that born from camp breeding program	in the last 5 years? elephants
Breeding record:	
□ no □ yes: □ date □ name of breeding elephan	ts
\Box number of breeding \Box others	
Pregnant and baby elephant	
Have you had pregnant elephants and/or calves? \Box no \Box y	yes .
(If you have had pregnant elephants and/or calves)	
How do you know that elephants are pregnant?	
□ physical changes: □ breast □ abdomen □ others	S
□ behavioral changes: specify	
□ hormone level: by who?	
□ ultrasound: by who?	
Is there any staff who have experience about pregnant elep	phants and calves?
□ no □ yes: How many? staffs	

Pedigree			
□ no □ yes			
How do pregnant elep	hants work?		
□ work norma	lly until partur	rition	
□ stop working	g: At what stag	ge?	
□ reduce work	cload: How?		
	At wh	at stage	2?
Specific zone for part	urition		
□ no □ yes: W	/here?		
Helper mother during	parturition		
□ no □ yes			
Staff during parturitio	n		
□ no □ yes			
Problem about pregna	nt elephants a	nd calve	es in the last 5 years
□ no □ yes:	□ dystocia:	How r	many cases? cases
		predis	sposing cause
	□ stillbirth:	How r	many cases? cases
		predis	sposing cause
	□ calve reject	ion:	How many cases? cases
			predisposing cause
	□ others		
Nursery zone			
□ no □ yes:	Where?		
	Is there a fend	e? □ no	o □ yes
Weaning			
□ no □ yes:	How old?		years old
Do you separate calve	es from mother	rs?	
□ no □ yes:	How old?		years old
	Procedure		

Training	
□ no □ yes:	How old? years old
	How long? months
	Who is a trainer?
	What are training tasks?
	Have you found any problem from training?
Health problem in cal	lves
□ no □ yes:	□ diarrhea □ bloat □ constipation □ skin problem □ wound
	□ eye problem □ EEHV □ others
Old elephant	
Have you had old ele	phants? □ no □ yes
(If you have had old o	elephants)
Do old elephants wor	k the same as other elephants?
□ yes □ no:	□ not work
	□ work less than other elephants: specify
	□ work in different program: specify
	□ others
Health problems	
□ no □ yes:	□ bloat □ constipation □ skin problems □ wound
	□ foot problem □ stiffness □ arthritis □ abnormal gait
	□ cataract □ blindness □ tooth lost □ others
Retired elephant	
Have you had retired	elephants? □ no □ yes
(If you have had retir	ed elephants)
How many retired ele	ephants? elephants
Where do they live?	
Do they have chance	to exercise? □ no □ yes: How?
Musth elephant	
Have you had musth	elephants? □ no □ yes

(If you have had mus	sth elephants)	
What do you do whe	n elephants are c	considered to be in musth condition?
□ breed		
□ stop workir	ng	
□ separate to	a specific zone:	Where?
		How do they eat food?
		How do they drink water?
		chain: □ no □ yes: How long? meters
		other equipment: □ no □ yes: specify
		How long?
□ others		
Is there any plan for	emergency cases	?
□ no □ yes:	□ sedative	
	□ dart gun and	equipment
	□ experienced	staffs
	□ others	
Musth record		
□ no □ yes:	□ date □ duratio	on □ signs □ others
Section 3. Mahout r	nanagement	
Number of mahouts	mah	outs
□ permanent	(regular) mahou	t mahouts
□ reserve mal	hout	mahouts
Number of mahout p	er elephant	
Do you have enough	mahouts?	
□ yes □ no: V	Why?	
Ethnic of mahouts		
□ native of T	hailand	
□ ethnic grou	ps of Thailand: s	specify
□ native of M	lyanmar	
□ ethnic grou	ps of Myanmar:	specify
□ others		
Benefit		
Salary	ba	aht/month

Ot	er income: tips: How much?
	□ round of working: How much?
	□ others
Ins	rrance □ no □ yes: specify
Не	lth check □ no □ yes: specify
Ot	ers
Day off	
	o □ yes: How many? days/month
What are	nportant criteria for mahout employment?
	sed to be a mahout
	commended from reliable persons
	nn communicate in Thai language
- 1	ave a legal document (for ethnic groups)
	hers
Have you	ent mahouts to join training courses?
	o: Why?
	es: What courses?
	How often?
