

SUPPLEMENTARY MATERIALS

Comment Sheet

Table 1. Summary of participant information. *ELC failure* indicates a validation error consistently greater than 0.5° for the EyeLink 1000 during the initial calibration. Likewise, *PLC failure* indicates a validation error consistently greater than 1.5° for the Pupil Labs glasses. Only participants printed in bold font were included in the analysis.

Subject	Sex	Age	Dominant Eye	Handedness	Eye Color	Exclusion reason
1	f	27	right	right	blue green	-
2	f	24	left	right		-
3	f	21	right	right	blue	-
