

a) Distribution of AUC values with corresponding drug dosages in colon cancer (using Adamic-Adar-2)

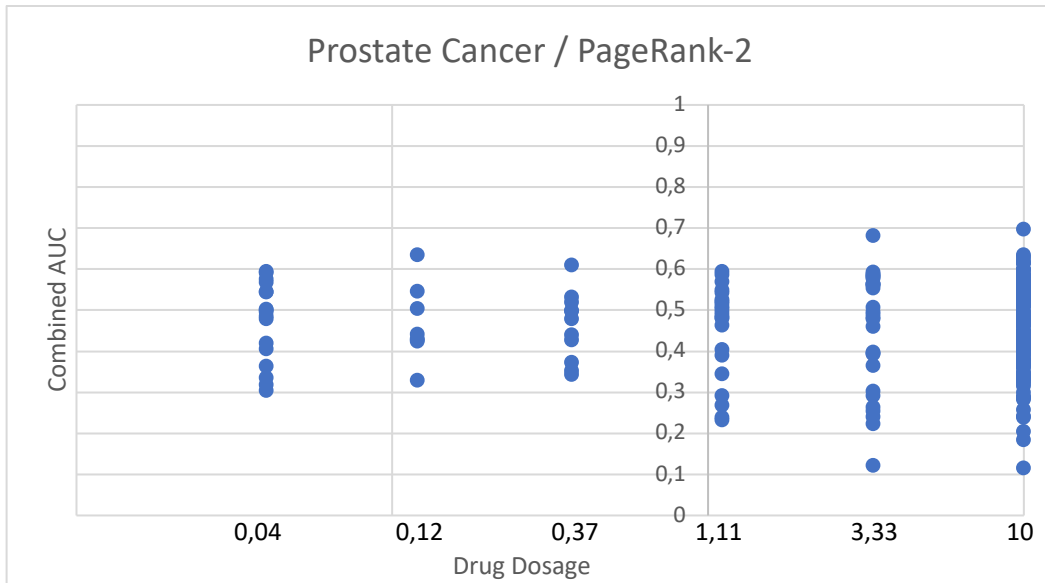

b) Distribution of AUC values with corresponding drug dosages in colon cancer (using PageRank-2)

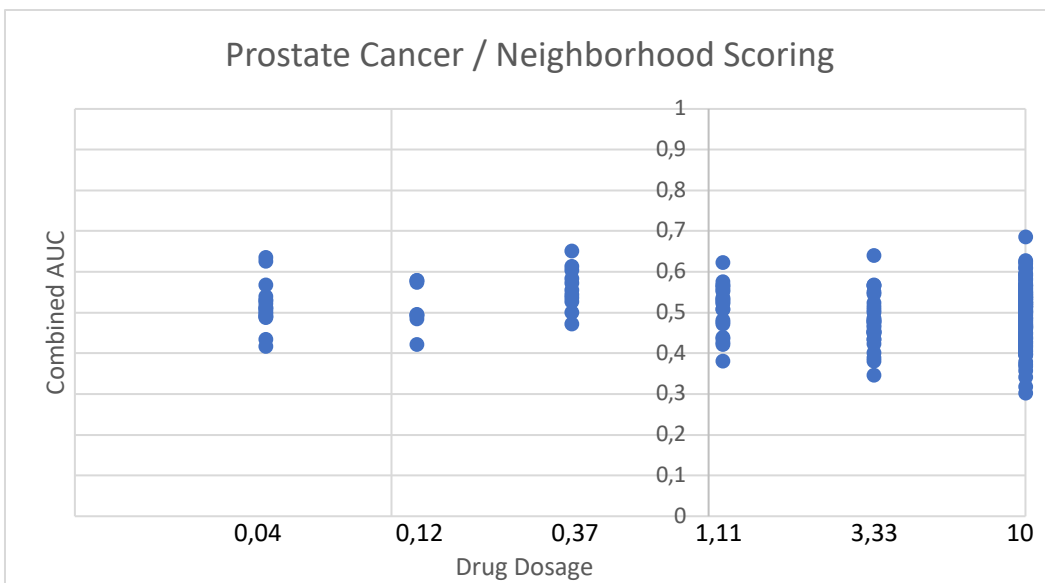

c) Distribution of AUC values with corresponding drug dosages in colon cancer (using Neighborhood Scoring)

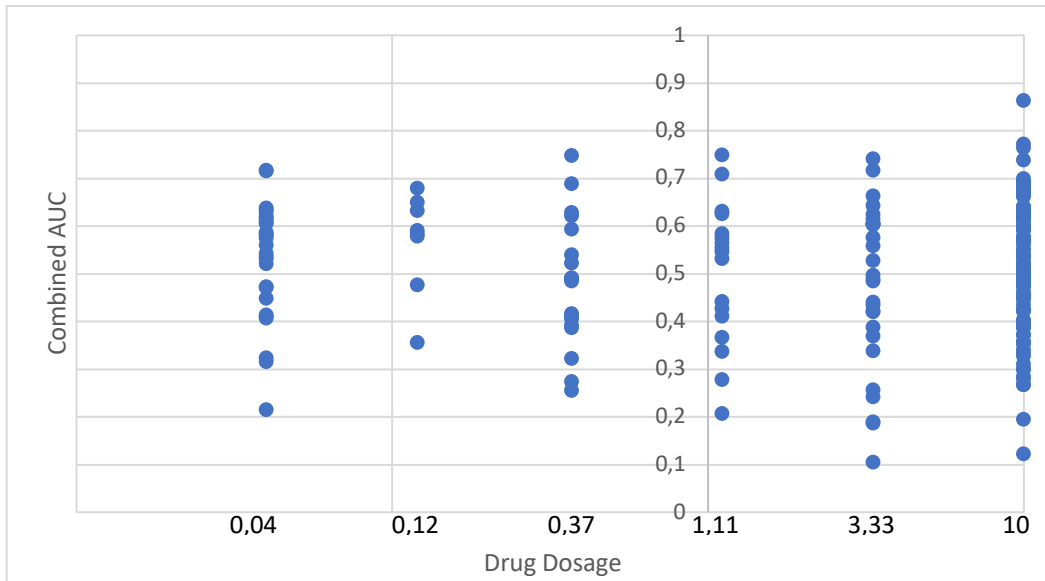

d) Distribution of AUC values with corresponding drug dosages in prostate cancer (using Adamic-Adar-2)

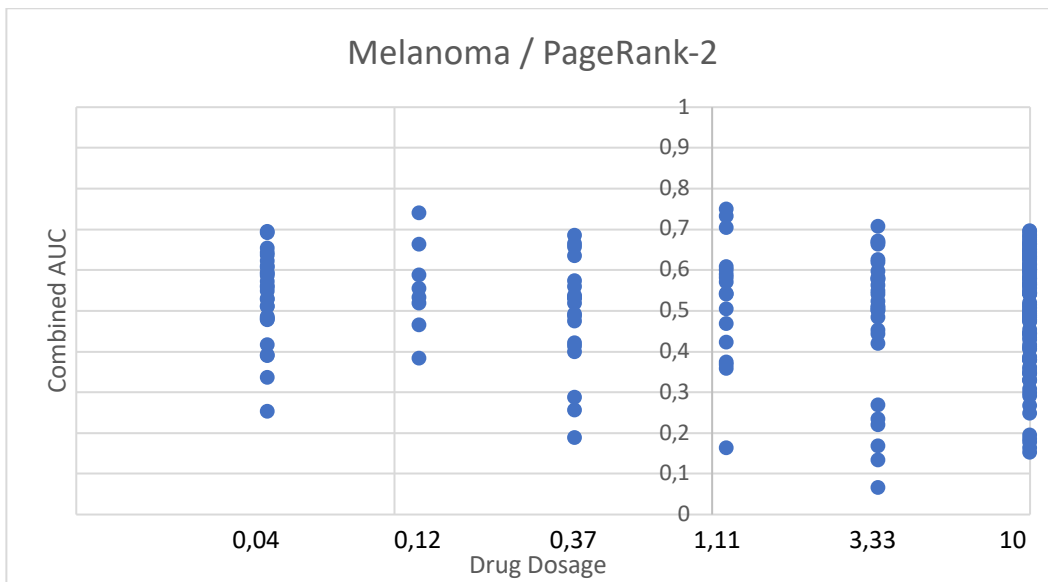

e) Distribution of AUC values with corresponding drug dosages in prostate cancer (using PageRank-2)

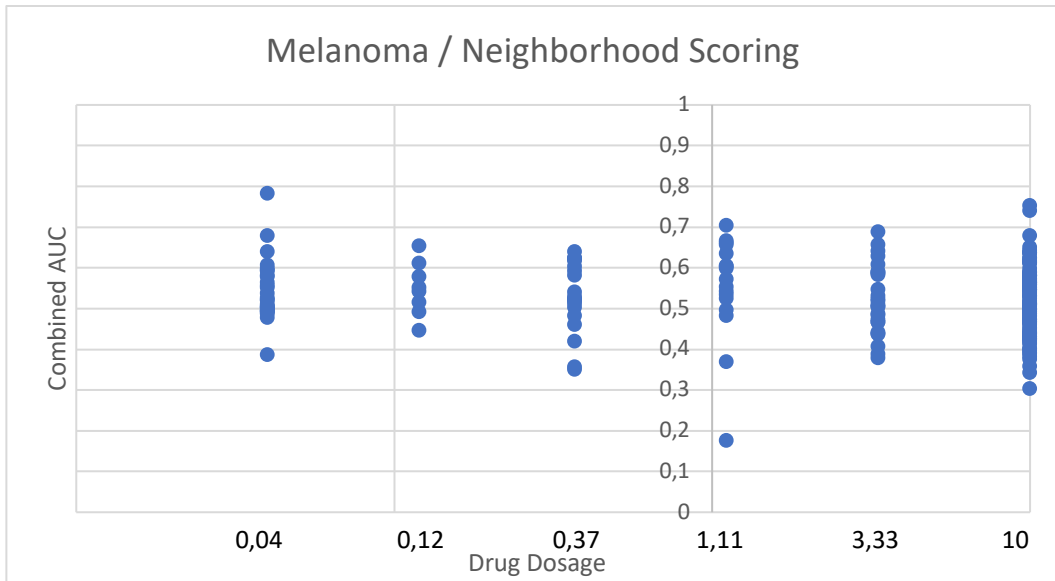

f) Distribution of AUC values with corresponding drug dosages in prostate cancer (using Neighborhood Scoring)

g) Distribution of AUC values with corresponding drug dosages in melanoma (using Adamic-Adar-2)

h) Distribution of AUC values with corresponding drug dosages in melanoma (using PageRank-2)

i) Distribution of AUC values with corresponding drug dosages in melanoma (using Neighborhood Scoring-2)
