

Reproducibility

Dataset (DOI/URL)

<https://data.mendeley.com/datasets/6w74d7x8s4/2>

Computing infrastructure (operating system, hardware etc)

Requirements

To run the notebooks in this repository, you will need the following Python packages:

- pandas
- numpy
- scikit-learn
- nltk
- matplotlib
- networkx
- gensim

To install the required dependencies, you can run:

```
pip install -r requirements.txt
```
